

CHILDREN'S SOCIAL SKILLS GROUP

Does your child have difficulty making and maintaining friends?
Has your child been described as shy or slow to warm up to people?

Has your child been diagnosed with Asperger's?

– AND/OR –

Does your child often get into arguments with other children or with adults?
Does your child have difficulty cooperating with the teacher during classroom activities?
Has your child been diagnosed with AD/HD or ODD?

SOME CHILDREN NEED A LITTLE HELP LEARNING SOCIAL SKILLS!

This group is designed to:

- Help children develop the social skills necessary to make friends.
- Help children develop the social skills necessary to maintain friendships.
- Help children develop self-confidence and self-esteem.
- Help children learn to enjoy their friendships.
- Help children get along better with other children.
- Help children get along better during classroom activities.
- Help children learn conflict resolution and problem solving skills.

**Through a series of fun activities,
in a supportive environment,
I help children learn social skills.**

When: Will run for 5 weeks, beginning Wednesday October 1 from 6:00 – 7:15
Where: Office of Kristen Wynns, Ph.D., PLLC
1502 Highway 54 West, Suite 603, Durham, NC, 27707.
Ages: Children ages 7 through 11.
